Description

Fine early Scottish Wemyss ware medium size, shaped basket with rope twist handle decorated in apples. This pattern of basket is one of the nicest they made and was made in various sizes, this example being the medium side. Beautifully decorated in apples with great detail. Often these baskets have been restored as the handle was vulnerable but this one has not and is in perfect condition barr a few minor glaze flakes to the top edge. Fully marked underneath with the impressed Wemyss mark plus the T. Goode of London retailers mark. SIZE; 12" by 8" by 9" high overall
