Gents 1950s 9 carat gold Vertex Revue watch

Price

Sold**Item Reference: SA350704****Date of manufacture: 1950**

Description

Gents 1950s 9 carat gold Vertex Revue cushion cased wrist watch. The watch has a Swiss hand-winding movement with 15 jewels which is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. The movement is signed Vertex Revue. The watch measures 29mm wide excluding the winding crown and 30mm high excluding the lugs - it would suit a man with a slimmer wrist or it would work well as a lady's watch. The case is 9 carat gold and there are hallmarks inside the case back for Birmingham 1954, together with the maker's mark for Aaron Dennison and also the Vertex name. The case is in good condition with just minor marking. The case back has a presentation engraving. The lens is in good condition. The signed dial is in lovely condition and has feuille shaped hands, a subsidiary seconds dial and an outer minute track. A later black leather strap has been fitted. PRICE INCLUDES WORLDWIDE POSTAGE
