Antique Ash & Elm Stickback Windsor Armchair Chair

Price

Sold**Item Reference: SA350829****Date of manufacture: 19th Century**

Description

An antique ash and elm stickback Windsor armchair, mid 19th Century, the high hoop back with turned end supports, over a shaped elm seat and raised on turned legs joined by an H-shaped stretcher. The chair has a great deal of patination and has seen a lot of use. It remains very solid with no wobbles to the back, however typical of many of these old farmhouse chairs the legs have lost a few inches in height. The back right leg has a repair. Height of back 95cm, Seat height 35cm.
