Description

VAN DEN DAELE: a fine OIL PAINTING ON PANEL entitled "In the Studio". This interesting and terrific painting depicts an artist, arm around his model, palette in his left hand, showing off his finished canvas. Behind is another large canvas and a table is laid with decanters and glasses. There is a large statue in the background; a lute to one side and a gilt-tooled folio in the lower right corner, where the full signature can be found. This is a delightful painting and may possibly be a self-portrait of the artist himself? 25ins x 21ins (63.5 x 53cms) including the original frame. *Casimir van den Daele, a Belgian genre painter was born in 1818 and died in 1880
