Description

Large French Cut Glass 9 Lamp Brass Chandelier This is a superb and heavy solid brass chandelier, the brass has a gilded finish. The chandelier has 6 branches, each alternate branch has a lamp at each end giving a fantastic sparkle at the centre. The scrolling arms are hung with faceted glass shaped pendants, the lamps are set in cut glass saucers and are also hung with tear drop shaped lustres, it hangs on a brass chain with a brass ceiling rose. The light looks very attractive when it is lit, it seems to have been recently rewired but as with all old electrical pieces we strongly recommend that it should be checked for installation by a professional electrician. The chandelier is 23" in diameter and 28" high JC98 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary from 7 to 28 days.
