Description

A wonderful and very useful Egg and Toast cruet or server standing on four original decorative legs. There are four egg cups, one to each corner, each kept in place with a pin. The reverse side of each leg is lucky enough to have been struck with an English design registration diamond shaped lozenge, allowing us to date the piece accurately, a little hard to read, I have identified the mark to 22nd July 1870. Excellent condition measuring 9" x 4 1/2" x 7 1/2" tall to top of handle. Item ID:36878 FREE Worldwide Registered Airmail Directly from London, England
