Description

Stone Edging Setts, Circular Fountain, Parterre Herb Garden Fire Pit A real rarity, 16 virtually unused Edging Setts forming a perfect circle The sets are weathered but have not been cemented together so when removed they have come away clean The setts are made in reconstituted stone, they have a decorative rounded top edge and could be reused in a number of ways, they would make a perfect edge for a fountain, pond or parterre even a large fire pit would work well The setts were set in soil so did not need to be glued together, they are weathered and in almost perfect condition, very minor chipping only, there are 16 stones altogether and they form a perfect circle 8ft in diameter, (89" interior) and they are 10" high JC102 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary from 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
