

SA352357

Antique Victorian Mahogany and leather spoon back chair

Price

Sold

Item Reference: SA352357

Date of manufacture: 1860

Description

This Antique Gentlemans button back library chair dates from the mid 1800's. It is in its original condition and very comfortable. The castors are not present. The leather is a green/tan colour and is not bright as the photographs may suggest. The main photograph is the most representative. It is a lovely chair.
