Description

Size: 14ft 10in x 10ft 2in (453 x 310cm). A very good and hard to find example of a very large size traditional Afghan village carpet by Ersari Turkmen weavers. Afghan carpets of this size are scarce and not usually in near perfect condition as this example. Circa 1920. The carpet has three rows of eight large guls, the carpet has a very good red colour, the border design is very detailed in a dark indigo blue. The carpet is in excellent condition with slight even wear and good pile. There are a few old repairs that can only be seen from the back. The carpet is suitable for heavy domestic use. The carpet has been hand washed and is ready for use or display. Stock Number: AOR-007.
