A FINE AND UNUSUAL FRENCH BRONZE CARRIAGE CLOCK

Price

Sold**Item Reference: SA353739****Date of manufacture: 1880**

Description

An unusual, decorative and very fine quality mid/late 19th century FRENCH CARRIAGE CLOCK in full working order. The case is ornate and most unusual in that it is of bronze, cast with scrolls, leaves and a mask, and it is supported on "winged" feet. The eight-day movement strikes the hours and half-hours on a gong, and retains its original lever platform escapement. The enamel dial is perfect as are the original blued steel Breguet "moon" hands, and the attractive gilt engine-turned masked dial. A good clock.
