Sold**Item Reference: SA353925****Date of manufacture: 1910**

Description

Good quality French antique desk, with an original tooled leather writing surface. It's Kingwood, mahogany & some other woods I can't make out. There are lots of gilt mounts all over, plus it has gilt feet. These gilt mounts are very fine quality & are naturally aged, like the leather top. There are drawers to the front, both sides & a dummy drawer on the back. Please take a look at all the images, to appreciate all the fine details. I would date this desk to around the 1890-1910 period & it's in good original condition. Length - 43", 110 cm Depth - 25", 63 cm Height - 29.7", 76 cm Kneehole Height - 24", 61 cm
