Description

A vintage 1930s Record full hunter pocket watch. The watch has a stem winding movement which is ticking away nicely and the time keeping is within 2 - 3 minutes over a 24 hour period. The movement is stamped 15 jewels, Swiss made. The watch measures 50.5 mm diameter excluding the stem and crown. The nickel case has light surface marks from use but overall it is in nice condition for a 1930s piece. The watch has a later plastic lens which is in nice condition. The white enamel dial is signed Record with Swiss made at the bottom. The dial has a faint hairline crack between the centre and 9 o'clock although hardly noticeable, but overall it is in nice condition. The watch has its original blued steel hands. Price includes worldwide postage.
