Item Reference: SA354023

Date of manufacture: 1920

Description

1920s full hunter pocket watch originally retailed by Thomas Russell & Son. The watch has a Swiss stem-winding movement, with 15 jewels, which is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. The Swiss jewelled movement is unsigned. The watch measures 50.7 mm diameter excluding the winding stem and the loop. The gold plated case was made by the Geneva Watch Case Co Geneva and is the Temeraire model. The case has light surface marks from use but overall it is in nice condition for a 1920s piece. The plastic lens has light marks. The white dial is also signed with the retailers name Thomas Russell & Son Liverpool, with Swiss made at the bottom. The dial is in nice condition. The watch has blued steel hands. Price includes worldwide postage.
