Depth = 18 cm (7.1")

## Description

This pair of identical Emeraldite desk lamps from the USA dated 1916 have the original maker's mark in the centre. The labels read: Pat Aug 15 1916 Emeraldite  
Desk Lamp No. 8734 H G McFaddin & Co.  
New York USA They measure 30cm in height, each with a 17.5 square, heavy base. They have an adjustable fitting to change the angle of the light. The lamps take a particular Emeraldite glass shade, and these can still be found in the USA or online. We decided to leave the two wires that fix the shades into position on the top of the lamps (shown in photo 1) in case the buyer want to source the original style shades. Alternatively, a good electrician could convert the top of the lamps to allow other glass shades to be used. Reproduction dark green or cream glass shades especially designed for Banker's lamps are available in this country. We have had the lamps rewired to UK specifications using flex cabl...
