Description

Early C20th Italian brass-framed inset marble top coffee table. Heavy-guage square-section brass-framed base with applied paterae/roundel decoration to ends and a lower tier spindle/rod magazine shelf. The marble top of a 'Siena/Giallo Antico' centre with a deep banded edge of green 'Verde Antico' surround. The well-figured marble slab top with striations and lines possibly showing minor historic repairs. The veneered top laid upon an underside of travertine stone. The brass of the base has an aged patina which could be brightly polished if required. Good quality decorative ,low reception room table that would complement a period setting.
