

SA355331

19th Century Mahogany Folding Towel Rail in the manner of Gillows

Price

Sold**Item Reference: SA355331****Date of manufacture: 19th Century**

Description

A 19th Century folding mahogany towel rail after a design by Gillows, with turned finials to the block corners. In original condition with original brass hinges, the hook that holds the two sections closed is snapped and one of the bottom rails has an old repair.
