Description

A quite unusual and attractive wall clock from the Arts & Crafts period. The square mahogany case retains its original French Polish finish and contrasts nicely with the round painted 10" dial. The clock strikes on the half-hour and the hour with a very pleasing mellow tone. It has black Roman numerals and nicely cut hands. The 8 day movement has just been fully overhauled by our own BHI registered staff. Dimensions: 15" X 15" X 5" (38 X 38 X 13CM)
