Price

Sold**Item Reference: SA355970****Date of manufacture: 1910**

Description

This pair of antique French walnut cabinets, could be used as bedside or general lamp tables. They have lots of character & are very well made, with fine dovetails & solid wood drawer bottoms. I would date them to around the 1890-1910 period & they are in good original condition. They look exactly the same on the outside, but one has three drawers, whilst the other has one drawer with a dummy two drawers that's a cupboard. Width - 16", 41 cm Depth - 14", 36 cm Height - 27.5", 70 cm
