Description

Gents 1928 silver hand winding wrist watch. The watch has a hand winding movement which is ticking away nicely and the time keeping is within 2 - 3 minutes over a 24 hour period. The Swiss jewelled movement is unsigned. The watch measures 26.4 mm wide excluding the winding crown and 38.5 mm high including the lugs. The silver case has Glasgow import marks for 1928. The silver case has light surface marks from use and a small "ding" to the back but overall it is in nice condition for a 1920s piece. The watch lens is in nice condition with only the odd minor mark. The silvered dial has slight discolouring but overall it is in nice condition. The watch has blued steel hands (the infill has come out of the hands over the years) A new black leather strap has been fitted. Price includes worldwide postage.
