Description

Gents 1920s 9 carat gold wrist watch. The watch has a Swiss hand-winding movement which is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. The movement is stamped with the Atlas name and logo, used by Stauffer & Co in the 1920s. The watch measures 31mm diameter excluding the winding crown and the fixed wire lugs it would suit a man with a slimmer wrist or it could be worn by a lady. The case is 9 carat gold and there are hallmarks inside the hinged case back for London (import mark), 1924. The case is in lovely condition. The watch glass is in lovely condition. The white dial, with the red 12, is absolutely charming and in lovely condition. The blued steel hands are a particularly handsome feature and there is also a subsidiary seconds dial and an outer minute track. A later dark brown leather strap has been fitted. PRICE INCLUDES WORLDWIDE POSTAGE
