Sold**Item Reference: SA356882****Date of manufacture: 1930**

Description

Very stylish original pair of Swedish Art Deco armchairs, which would look equally good mixed in with antique or modern room settings. The arms & legs are satin birch & they have been recently recovered in the same way as they were before, with the ribbed backs. The fabric is a cream linen. I would say they date from around the 1930's period & they are in good condition for their age.
