Description

In superb condition, fully serviced with a 12 month warranty. Outstanding Zenith extremely heavy solid 18ct gold gents wristwatch. The watch is rare as it has the 18ct gold case and is the one favoured by JF Kennedy. It has the 30 jewel calibre 2532 chronometer fully automatic movement which is regarded as one of the best automatics made during the 1960s, the serial number on the movement is 5858243. The case is heavy and the dial has been professionally restored so is in mint condition. It has the date set to between the four and five and its original winding crown. As you would expect the watch is fully marked on the dial, movement and case and it has the complete set of both Swiss and English hallmarks. It comes complete with a high quality presentation box and a premium quality black leather strap. Zenith are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch measures 30mm square not including the crown. Overall this watch is in outstanding condition and highly sought after by collectors of Zenith also JF Kennedy memorabilia, indeed it looks as if it was rarely worn...
