Description

Size: 9ft 10in x 7ft 5in (300 x 226cm). A very good red Afghan village carpet by Ersari Turkmen weavers. Circa 1920. The carpet has three rows of seven large guls, the border design is very detailed, the design in the large guls indicates the village and family group who wove the carpet. The carpet has a very rustic feel due to the colour changes across the width of the carpet, this is due to changes in dye lots (not fading). The carpet is in excellent condition with very slight even wear and good pile. The carpet is suitable for heavy domestic use. The carpet has been hand washed and is ready for use or display.
