Description

FINE & RARE set of three 18th century Bristol blue decanters in very good original, un-damaged condition. The three decanters are decorated in gilt with the drink name on and all have their original stoppers. There is some rubbing to the gilt as would be expected. The set comes with a later mid 19th century brass and ebonised stand with gilded china feet which is also quite nice. Th decanters fit neatly into the stand. A very nice set of early Bristol blue decanters especially in this condition. SIZES; Decanters sizes are 3 1/2" diameter by 8" high
