Description

A large example, measuring 10" in length with a glass diameter measuring 4". The antler horn handle is finished with a solid or sterling silver terminal, both sides embossed, both this and the sterling silver ferrule are hallmarked for Sheffield 1900/1901, making it late Victorian in era. The nickel framed glass is of course new, unmarked but probably by Hilkinson, making it very usable piece, without damage, clear and with a good magnification. A superb, grand and impressive desk accessory in excellent condition. Item ID:36827 FREE Worldwide Registered Airmail Directly from London, England
