Description

Professionally serviced with a 12 month warranty. Outstanding International Watch Company solid 9ct gold gents wristwatch. This is an exemplary example of a gents classic wristwatch made by the world renowned premier maker International Watch Company or IWC. It is the calibre 8531 with automatic pelaton winding system which is widely regarded as the best automatic movement ever made. It has a professionally restored pie pan dial and retains its original winding crown. The original hands have been relumed. The case measures 34 mm in diameter excluding the crown and the case is Swiss made with both British and Swiss hallmarks and the much coveted Geneva seal. As you would expect the watch is fully marked on the dial, movement and case. IWC are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class indeed this is the best example we have had for many years. Overall this watch is in outstanding condition, it looks as if it was rarely worn, it would make the perfect gift for any gentleman. The watch has just been fully serviced. It has been fully authenticated and found to be a genuine IWC in all...
