

SA359854

16th Century English Carved Walnut Panel

Price

Sold

Item Reference: SA359854

Date of manufacture:

Description

A lovely early carved panel of a vase of flowers. It does have a thick layer of wax across it which I am sure has helped protect it. It measures 9.5" by 7.5". Please call or email me for further details. I do have other similar panels. Please look at my other interesting items. Many thanks Karen
