Description

A gents 1930s 9 carat gold Rotary Super-Sports cushion cased wrist watch. The watch has a Swiss hand-winding movement, with 15 jewels, which is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. The movement has the Rotary wings logo. Unusually for a wrist watch, the movement is protected by an inner hinged cover. The watch measures 28mm wide excluding the winding crown and 28mm high excluding the lugs. The case is 9 carat rose gold and there are hallmarks inside both the hinged back cover and also the inner cover for Chester 1930. The back of the case has engraved initials and a date of September 23 (or 25) 1931. The case is in good condition. The lens is in good order. The signed dial has some marking and discolouration commensurate with its age but still easy to read the time. Feuille shaped hands, a subsidiary seconds dial and also outer minute markers. A new black leather strap has been fitted. PRICE INCLUDES WORLDWIDE POSTAGE
