Description

Small antique Kingwood bombe commode in good original condition, with gilt mounts & handles. It has some beautiful floral marquetry on the top & sides, plus various other patterns of inlay. This piece has just been polished & I would date it to around the 1910 period. It makes a change to find one of these models with a polished top, instead of the usual marble. All the drawers have locks & gilt escutcheons. Width - 32.3", 82 cm Depth - 17", 43 cm Height - 30.7", 78 cm All ITEMS SHIPPED WORLDWIDE - PLEASE ASK FOR QUOTE
