Description

A wonderfully decorative Victorian tea caddy, beautifully engraved with floral and foliate garlands and topped with a carved bone finial to the top. We managed to find a key that works pretty well, it seems to require two turns to lock the caddy and two turns to unlock the caddy; with the rich tassle we have added finishes off the caddy into a real show stopper. Standing on four original bun feet, the footprint measures 6 1/4" x 4 1/4", the caddy body measuring 5 1/4" x 3 1/2" and stands 6" tall to top of finial. Dates to c.1880.
