## Description

Very nice and in completely original and un-touched condition large size late 18th century George III mahogany tip top breakfast table. The amazing top is made from one piece of solid mahogany with a nicely moulded edge. The base has a turned column with four long sweeping legs with moulded decoration and original brass cup castors. The table has the original brass catch and tips up long ways. It tips up beautifully as can be seen in the pictures. This really is a very good example and easily seats 6 people comfortably, would seat 8 snugly. SIZE; 64" by 44" by 28" high
