Description

Large Georgian 19th Century mahogany chest of drawers. This is a lovely chest, that is full of age and character. A rare quality piece with clean simple lines. Solid mahogany top, thick veneer to sides and drawer fronts. The oak lined drawers slide freely. We have no keys and the locks are consequently untested. Overall maximum dimensions: 111cm wide, 52cm deep, 104cm high. Replacement handles. Internal marks and stains to the drawers as is to be expected. There are a few historical woodworm holes, believed extinct, that we have treated for good measure. Some how on this item we omitted to photograph the sides and will add these when taken. The sides are fairly good, with some historic scratching (as is normal) and some repairs to their rear edges (as is common), but nothing very unsightly. 30 day no quibble money back guarantee. Competitive UK and overseas door to door shipping. Please check dimensions before purchasing. Item reference WNA-3226G15.
