Description

A Superbly Carved 19th Century Oak Panel This is an attractive carved panel, with a moral, the panel tells the story of Aesop's fable of the Fox and the Grapes. If you remember the tale, the fox after great efforts to reach the juicy grapes and failing decided that they were probably sour anyway. The panel came from a door of a piece of furniture and is probably of French origin, the quality of the carving is very good and the panel has a pleasant patina The panel is 14" wide x 25" high and about 2" in relief TJC163 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary from 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
