Description

Very Large French Carved Oak Wall Decorations. These are large and very rare carvings, they are carved all the way around (front and back) and they do have fixings allowing them to be hung on a wall, the carvings are very naturalistic, leaf like shapes with tightly curled fronds. The brackets are true pair so would work very well as decoration on either side of an opening like a door arch or window. They are in good condition for their age and made in solid Oak, and come from a Chateau in France. The overall size of each piece is 43" high, 15" wide and they are 2" thick. JC149.
