Description

Here we have a stunning late 19th century mahogany Chinese Chippendale style china display cabinet undoubtedly by EDWARDS & ROBERTS of LONDON. There is actually a label to the back but it is illegible. This wonderful cabinet is un-believable in amazingly original condition with no damage at all that I can see. The curved fretted "pagoda" top with the applied carved decoration is as good a workmanship as you'll ever see. The cabinet has both doors and open shelves and stands on a cabriole leg base. The part with the two doors is lined in glass as sealed cupboards, the rest is open. The doors have their original locks and key. The whole piece is in un-touched original condition and is of the highest quality. SIZES; 50" wide by 12" deep by 90" high overall
