Price

Sold**Item Reference: SA365913****Date of manufacture: 1960**

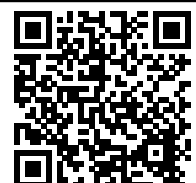

Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the Constellation automatic model 168 0029 calibre 751 chronometer observatory grade movement, 24 jewels adjusted to five positions and temperature, as you can see it is in fabulous condition. The brushed dial with day and date is completely original and in superb condition. The case is just incredible as it retains its original grain and has not been polished. It has the Constellation observatory symbol embellished on the back of the case and also the Omega symbol on the original crown. A new glass has been fitted. It has a solid stainless steel case with is very heavy. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality black leather strap and a new presentation box to keep your watch in perfect condition. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35mm in diameter not including the crown. Overall this watch is in outstanding original condition and high...
