Price

Sold**Item Reference: SA366129****Date of manufacture: 1960**

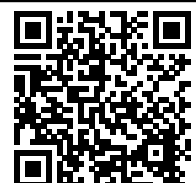

Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The movement is the Omega calibre 1012 23 jewel fully automatic. This is the highly desirable black dial version with baton markers and luminous hands, the dial is completely original and it has the quick set facility. The winding crown has the Omega logo. It has been professionally cleaned and serviced and a new glass has been fitted. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality black leather strap and a new presentation box to keep your watch in perfect condition. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35mm in diameter not including the crown. Overall this watch is in outstanding original condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn. The watch has been fully serviced by Alan Williams FBHI and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly...
