Sold**Item Reference: SA366264****Date of manufacture: 1800**

Description

Large and imposing mahogany six leg pull-out table with four leaves. Circular 5' (150cm) when closed, it pulls out to 13' 6" (410cm) with all its leaves. Most of the original Cope and Collinson forks are with the table: they fit into a clip holder situated under the top for storage when the table is in the closed position. The original castors are recessed into the bottom of the legs. In good overall condition. Two leaves are of a later date than the rest of the table but look to have been with the table for many years and are well fitted and matched. The polish is in good condition and the table has an attractive colour. Good quality original pull-out mechanism in excellent working with minimal wear. No serious defects. Would seat 16 comfortably. Please ask for more details and photos if required. Distance selling regulations give you the right to a full refund if you return the item within 7 days of delivery.
