Description

Large and Magnificent Clock Set by A. D. Mougin ~ French - Circa 1890 ~ ~~ Excellent condition ~~ A stunning classical clock set of large and impressive proportions. The clock itself is of 'drum head' shape with a particularly large enamel dial mounted on a waisted support of bold acanthus scrolls. These are mounted on a heavy, square base. A classical handled urn is mounted on the top of the case and to the sides are lions masks with laurel swag ring handles. Fretted panels are backed with red velvet. Candelabra are similarly designed and mounted with 5 light candelabra. The dial is enamel on copper and has a Roman hour ring with an Arabic minute ring. It is fitted with the original fretted gilt brass hands and covered by a convex, bevelled glass mounted in a heavy hobnail bezel. The set is of very good quality with crisp, sharp and finely detailed modelling and the brass has a lovely clean and bright finish. This is a heavy and well made clock set. The movement is of excellent quality and is by the famous Paris maker A D Mougin. It runs for 8 days and strikes half-hourly on a bell. It is in excellent clean and running condition having been fully overhauled by o...
