Description

Uk Bash were specifically made for containing the pointed ends of the tent-poles during long migrations. The poles were tied horizontally to the sides of the camels with the pointed ends facing backwards; the uk bash placed over the pointed ends and the tassels swinging to warn animals coming behind not to get too close. Uk Bash were made in pairs in knotted-pile and flat-weave - this example, only one of a pair, made in knotted-pile. Size: 28cm x 1.22m (11" x 4' 0") including tassels.
