Description

1930s Trenton Record pocket watch and chain. The watch has a signed Swiss stem-winding movement which has been fully tested and is working nicely and keeping good time to within around two minutes or so over 24 hours. The movement is protected by an inner hinged cover which a personal inscription dated 1938. The watch itself measures 50mm diameter excluding the stem and the loop. The case is gold plated and the condition is good with just the odd minor mark. The watch glass is in nice condition. The dial is slightly more unusual than normal as it has the red minute numbers to the perimeter. The dial is in good condition and has blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes with a double albert which has two longer chains, each 21cm long including the T-bar and the clasp. PRICE INCLUDES WORLDWIDE POSTAGE
