Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Vertex. It has a platinum case and 28 of the most exquisite European old cut diamonds which are deeper than modern day cut and are incredibly white, bright and crisp, the sparkle they generate is absolutely amazing being of F-G and VS quality. The total carat weight is approximately 3.5cts. It also has diamonds to the collars on the cord. The dial is absolutely perfect with steel peacock blue hands, in superb condition. It also retains its original solid 18ct white gold clasp. The case would certainly have been bespoke made and a premier movement fitted. It comes complete with original fitted case. It is quite stunning, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine, this is one of the best quality watches we have come across. It comes with a brand new quality black cordette strap and the watch fits a wrist size of up to 7 inches although we can reduce this for you if required. A longer strap can be fitted but this would mean it would not fit in its case. The 16 jewel movement is an absol...
