Description

Pair of antique French style salon armchairs upholstered in the original needlepoint fabric, which is still in good condition. The frames too are in good condition & sturdy too. They are naturally aged, so have loads of character. I would say they date from around the 1920-30's period. These chairs have a great shape & are well carved too. Width - 24.5", 62 cm Depth - 20", 51 cm Height - 52.5", 108 cm Seat Height - 19", 48 cm
