Description

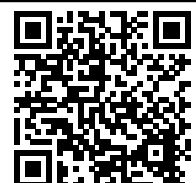

A really exceptional example, and a great size measuring 5 1/2" x 3 1/4" x 2 1/2" tall. Made from English sterling silver, the box is heavy and solid and made from a good gauge of silver and stands on four original and very elegant legs. The top of the hinged lid is quite wonderful with engine turned and intricate engraved decoration surrounding a central vacant cartouche. The inside of the lid retains its original lavish gilded finish. The box also retains its original deep purple silk lining still in superb condition. The box has the full English hallmark for Birmingham 1913 together with the makers mark for the silversmith, W & F Rabone - Walter Hayes Rabone & Frank Rabone. A beautiful box ready to use.
