Description

Lovely Rene Lalique frosted moulded glass bowl in the Gui pattern depicting a swirl of mistletoe leaves and berries and set on moulded berry feet. Marked R.Lalique this pattern dating from c.1921, it is size No.1. Lightly blue opalescent, it looks fabulous against a dark background as you can see but I have taken a photo against a cream background as well just to show how it will arrive. It measures 24cm wide and 10cm high. Condition is very good: no damage but some small surface scratches, I have taken close ups to illustrate. Price includes shipping within the UK. Worldwide shipping is available, please ask for a cost. Payment is accepted by Paypal, bank transfer or cheque. We wish to ensure all our customers are happy with their purchases and offer a full no quibble return policy for all items returned within 14 days (extended currently to January for Christmas gifts - T&Cs apply).
