Item Reference: SA371342

Date of manufacture: 1920

Description

Antique deep buttoned distressed brown leather chesterfield sofa in good original condition. I would say it dates to around the 1920-30 period. The turned flat bun feet are a later addition & far more practicable than those wheels you get that always break. The leather is naturally worn & has been professionally cleaned & polished. There are no rips, tears, or holes. It's been a while since I had one of these & they are becoming increasingly hard to find. Due to popular demand, I am about to have a hand made new leather chesterfield produced, that will be antiqued & hand coloured, so watch this space. Length - 83", 210 cm Depth - 36", 92 cm Height - 28.5", 72 cm Seat Height - 15.5", 39 cm
