Description

Fully serviced with a 12 month warranty. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch has the very rare the calibre 28.10RA 17 jewels bumper fully automatic movement, as you can see it is in fabulous condition. The case is of solid 18ct rose gold and measures 38mm in diameter excluding the crown making this a an oversize or jumbo watch. The fully restored two tone dial is in perfect condition and compliments the colour of the case beautifully - very striking indeed. It has the Omega symbol on the rose gold plated winding crown. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with its original presentation box. The case is fully hallmarked. It comes complete with a new premium quality black leather strap and genuine Omega buckle. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this is an outstanding watch and a very rare find indeed. The watch has bee...
