Description

A wonderful and highly decorative desk accessory, this exquisite letter opener is made from solid or sterling silver one of the most attractive I have had for a while. The handle has a wonderful raised decorative border to the front surrounding a stunning piece of antique tortoiseshell. The blade is where the English silver hallmark can be found for Sheffield 1900. The handle and blade are joined with a heavy and highly decorative ferrule. Superb condition measuring 9 1/4" in length. Item 37007
