Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a platinum case and approximately 2.5cts of the most exquisite which are incredibly white, bright and crisp, the sparkle they generate is absolutely amazing and are of exceptionally high grade in colour and it is heavy. The shoulders and lugs are articulated so it simply glides around your wrist, it is very reminiscent of the Art Nouveau era in design, simply quite stunning and would have been bespoke made for a very special lady. The total diamond section measures 90mm long which covers half of the wrist and the case measures 15mm excluding the winding crown. It has a platinum plated stainless steel bracelet with a sprung comfort clasp. The dial is absolutely perfect, in mint condition with no marks or scratches. A new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine. The calibre 213 17 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Omega the watch is fully marked on the ...
