

SA372447**QUEEN ANNE WALNUT
CUSHION MIRROR. CIRCA;
1715**

Price

Sold**Item Reference: SA372447****Date of manufacture:**

Description

Good Queen Anne figured walnut cushion mirror. The walnut is nicely grained and is a lovely mellow colour. Moulded with a small bead round the outer edge. Originally it has had a shaped top piece that slotted into dovetail grooves in the back of the frame. This can be re-made if required but I think it looks perfectly good as it is. SIZE; 25 1/2" high by 17 1/2" wide.
